Odyssey is without a doubt one of the most versatile event venues at Epcot®. Located at the centralized point where Future World meets World Showcase, Odyssey has a unique décor, multi-level room design, and built-in stage area. Because the architectural décor is adaptable in nature, the possibilities for theming are wide open, from an International Celebration to a New Age Experience, from a formal dinner venue to a relaxing hospitality lounge.

Entertainment for this versatile venue can include anything from an International Festival to New Age Party or be as simple as a Jazz Trio.

Choose from one of our existing special menu packages or work with Disney's award-winning culinary team to create a customized menu that will provide your Guests with an unforgettable dining experience.

Beverage service is also available in a package that is sure to fit your needs, whether it's beer and wine or a full premium brand bar with specialty drinks, you're sure to find something for everyone!

The finale of the evening takes your Guests outside to their exclusive dessert party in a viewing area overlooking the World Showcase Lagoon. Here, they are in an ideal location to enjoy world-class desserts as they experience the premier nighttime spectacular at Epcot®, *IllumiNations: Reflections of Earth*.

This one of a kind show tells its story and touches the spirit by combining video technology, water fountains, lasers, special lighting effects, and pyrotechnics, all programmed to an original musical score – creating the perfect finish to your Epcot® adventure.
